

*Cabaret Room (Vanderslice Hall), Boston College*

Our firm was hired to transform this previously dark, unappealing and unpopular room into an exciting Student Activities space where BC undergradates can hang out, kick back and chill – throughout the day and into the evening.

We specified a variety of furniture to create multiple spaces for socializing, conversation, television, games, unwinding – and even studying!

On weekends, the Cabaret Room serves as a flexible space for a wide variety of student entertainment, from stand-up comedians to jazz bands. A state-of-the-art audio system allows students to easily plug in sophisticated panels or simple iPods. Revamped theatrical lighting controls were also designed for ease of use by students with minimal training.

*Summer 2011.*
